recap. book 1

last time on eg without a 2nd G: eg and his friends find a gold eg. their journey was 96 miles long...

they go through the desert. then they get to eg land. A huge mob of angry people chase them but eg turns into CHARA. and murder them. then they climb the tree and find the eg in a huge room full of gold coins. but the gold eg already costed ∞ money. then egs mom transferred it to a credit card from Mcdonalds.

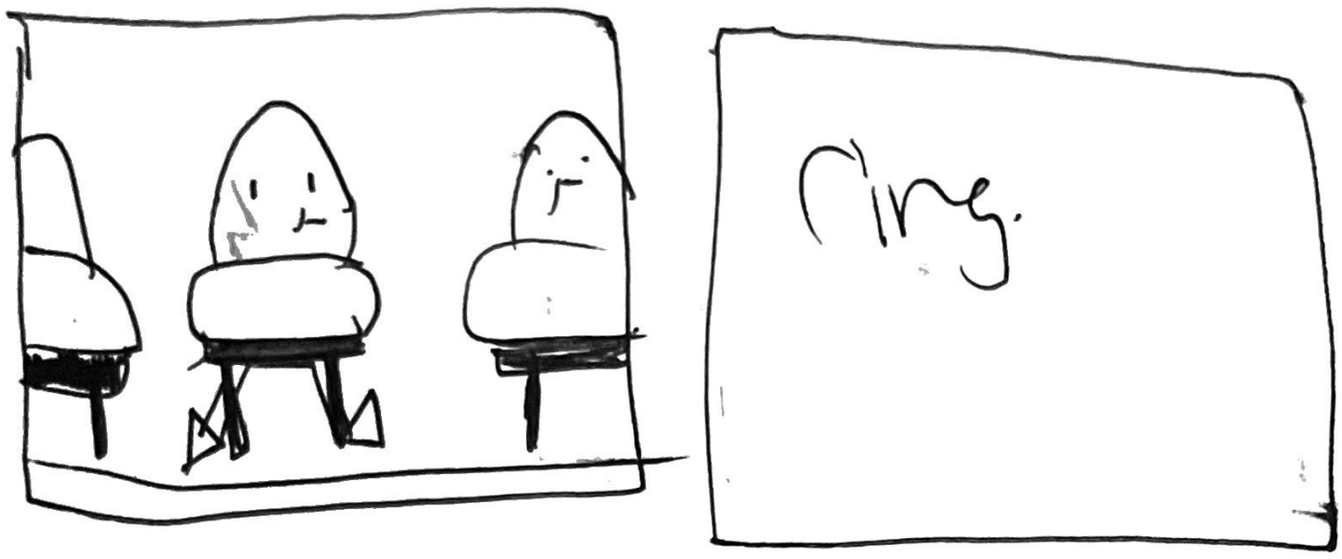
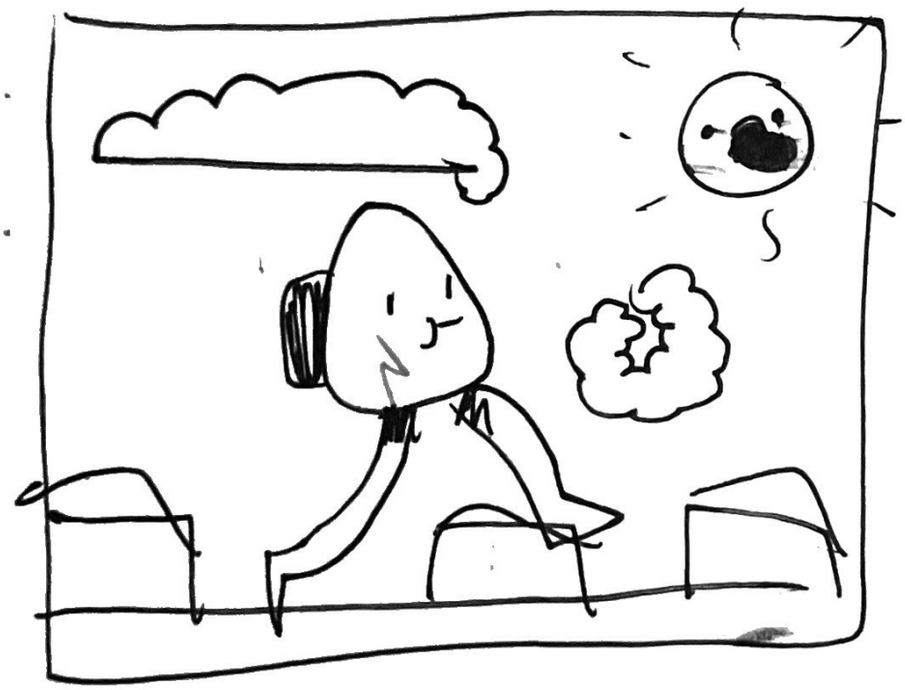
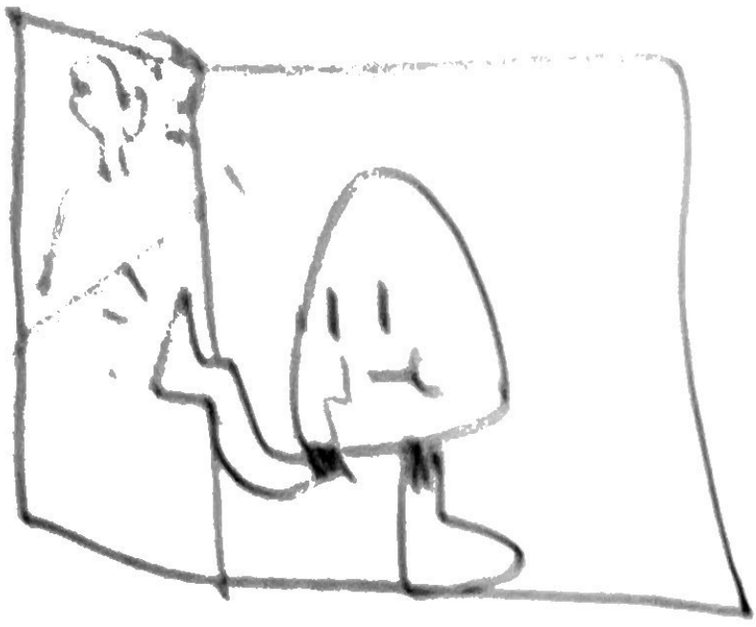
Now this is something ineed to tell you but eg was born with a weird genetic that makes him live forever... so now its 1079 and they're all old people now like high school IDK. so now eg accidentaly travels to the sky lands and gets trapped in there. If he doesnt get out in 5 hours hes trapped forever.

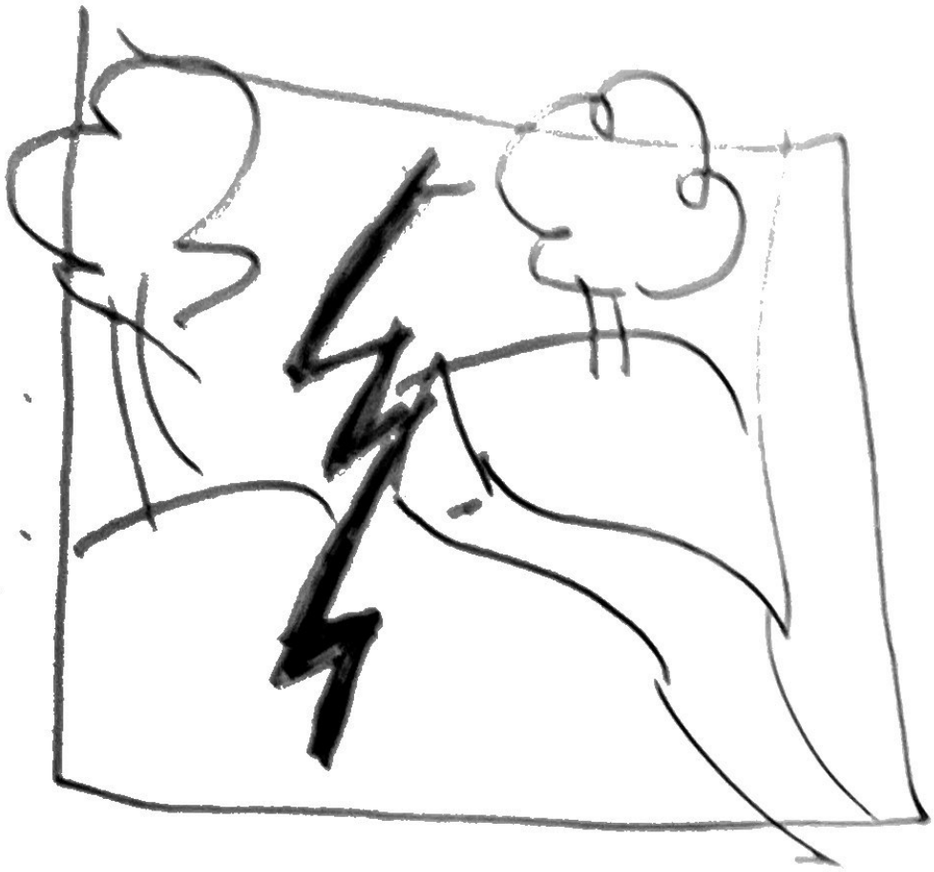
A mysterious portal...

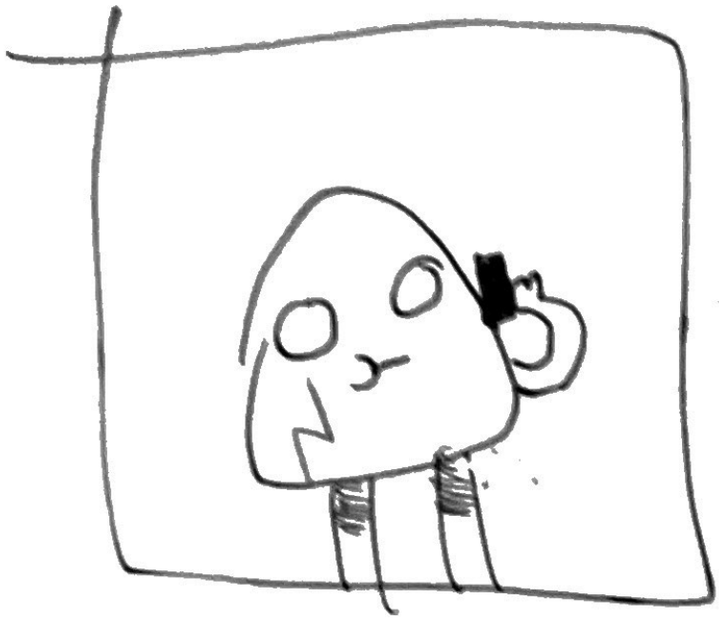


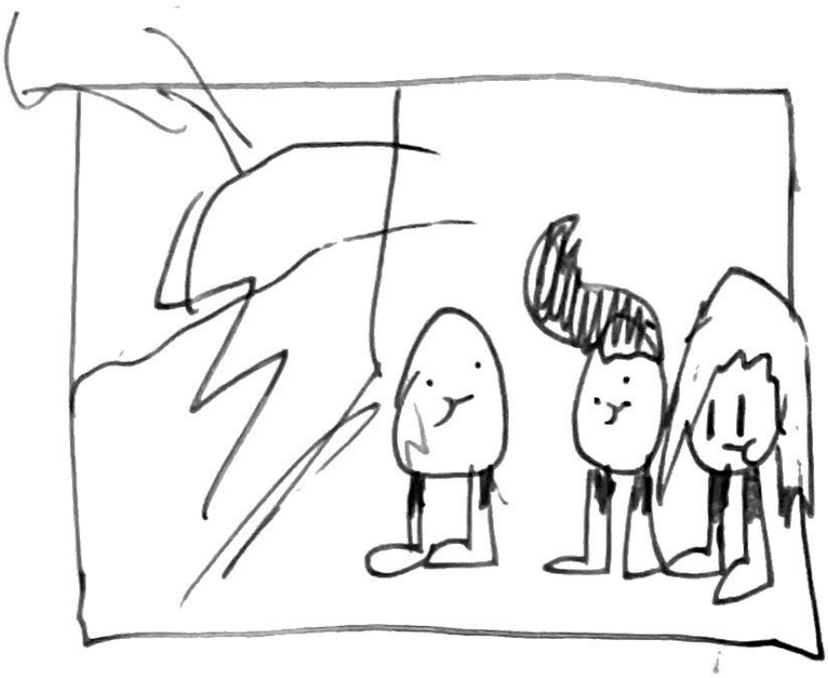


?
...
Is this a wall?









Its a flipper whale!

Yah right.

Not time...

you gotta believe me
!!
?
